

2-Day Advanced Seminar

The seminar provides comprehensive training on how to configure, use, and sell our products. Extensive visual aids and hands-on learning makes this a valuable seminar for wholesalers, contractors and end users. Training topics include:

- **UBIQUITY™ SYSTEMS V3.0 WEB ENABLED BUILDING INTERFACE**
- **2100 SERIES CONTROLLER SELECTION & PROGRAMMING**
- **HVAC SUB-SYSTEM SETUP & PROGRAMMING**
- **SALES STRATEGIES & RESOURCES**

For seminar registration or additional information:

Call **(800) 288-9383**

Fax **(608) 836-9044**

Email **sales@tcsbasys.com**

SEMINAR FEES

\$499 per person, or \$399 per person for groups of three or more.

(plus sales tax for WI, FL & CA companies)

SEATING IS LIMITED

Deadline for registration is March 5, 2010.

WHAT

A two day training seminar hosted by TCS Basys Controls[®]. This special seminar is for anyone who sells, installs or services TCS Basys Controls[®] thermostats, controllers or networks, AND who has been through our 3-DAY Basic seminar.

WHERE

Country Inn & Suites
2212 Deming Way
Middleton, Wisconsin 53562
Phone (608) 831-6970

WHEN

Thursday	March 18th
Friday	March 19th

TCS Basys Controls[®] will provide you with the following materials for you to keep:

- SZ2181 AHU controller plus QD1010 communication converter
- Copy of Insight Software
- Copy of Revelation Software
- Technical tips on, programming using, and selling TCS Basys Controls[®]

NOTE: In order to get the most benefit from the hands-on software training portion of the seminar, please bring a laptop PC with Wi-Fi or hard-wired Ethernet capability (wireless preferred). Ideally, the laptop should use Windows 95 or later, have a CD-ROM drive, and have at least one serial port. If your laptop does not have any serial ports, please bring along a USB to serial converter (available at most computer supply stores).
