

3-Day Basic Seminar

The seminar provides comprehensive training on how to install, configure and use our products. Extensive visual aids and hands-on learning makes this a valuable seminar for wholesalers, contractors and end users. Training topics include:

- **UBIQUITY™ SYSTEMS
WEB ENABLED BUILDING
INTERFACE**
- **CONTROLLER
SELECTION**
- **WIRING AND
INSTALLATION**
- **SETUP AND
PROGRAMMING**
- **SOFTWARE**

For seminar registration or additional information:

Email **sales@tcsbasys.com**

SEMINAR FEES

\$599 per person, or \$449 per person for groups of three or more.

(plus sales tax for WI, FL & CA companies)

SEATING IS LIMITED

Deadline for registration is March 5, 2010.

WHAT

A three day training seminar hosted by TCS Basys Controls[®]. This special seminar is for anyone who sells, installs or services TCS Basys Controls[®] thermostats, controllers or networks. *This seminar is a prerequisite for our 2-DAY Advanced Seminar.*

WHERE

Country Inn & Suites
2212 Deming Way
Middleton, Wisconsin 53562
Phone (608) 831-6970

WHEN

Monday	March 15th
Tuesday	March 16th
Wednesday	March 17th

TCS Basys Controls[®] will provide you with the following materials for you to keep:

- SZ1030, 1040 or 1050 series Superstat™ plus QD1010 communication converter mounted on a sturdy powered display
- Copy of Insight Software
- Copy of Revelation Software
- Comprehensive training and reference manuals and CDs
- Technical tips on installing, programming and using TCS Basys Controls[®]

NOTE: In order to get the most benefit from the hands-on software training portion of the seminar, please bring a laptop PC with Wi-Fi or hard-wired Ethernet capability (wireless preferred). Ideally, the laptop should use Windows 95 or later, have a CD-ROM drive, and have at least one serial port. If your laptop does not have any serial ports, please bring along a USB to serial converter (available at most computer supply stores).
